Republic

Favorite subject in school: I really like learning about the different things in science. I think it's fun to know different things about the world, and we get to do experiments and stuff that are really fun as well.

Volunteer work:
Animal Control Center and Valley Hills.

What do you want to be when you grow up: I've always wanted to be an elementary school teacher, like kindergarten or first grade. I've always thought it would be really fun to do.

Favorite book:
I really like a book called "Wonder."

Someplace you'd like to go someday: I think I want to go to Hawaii.

First thing you do when you get home from school: I like to unpack my stuff, play with my dogs and my cats, and then get a snack.

Activities involved in at school: NHS.

Favorite movie:
I tend to like to watch a lot of scary movies.

Favorite TV Show:
Stranger Things.

Sports:
Volleyball and soccer.
