

I Am Greene County

Hometown: Ash Grove

Family: My husband Ryan, four-year-old daughter Parker, and one-year-old son Jack.

Education: Ash Grove alumni, Business with Emphasis on Marketing Degree from MWSU.

What is your favorite weekend activity: When I'm not showing homes or hosting an open house, you will find me at home playing with my kids or cooking with Ryan. I'm definitely a homebody. This is probably another reason I love what I do. I want to make sure my clients find a place they love to be. This is especially important in our current climate with COVID-19.

Something I never compromise on is: Honesty.

I have a strong interest in: Interior Design and remodeling.

Pets: Two dachshund mixes, Beau and Brigitte, and a cross-eyed cat, Leonard.

During the Stay at Home order, I have been surviving by: Taking a lot of walks and making sure my kiddos get plenty of energy out by playing outside.

The last book I read was: "In My Heart" - I read this to Parker last night at bedtime, it's a fantastic children's book.

What do you like best about what you do: Seeing the joy and excitement in my clients' faces when they close on their dream home, or when a seller receives an offer they can't refuse! Also, getting to watch kids pick out their bedrooms is definitely a career bonus that I love.
