

I Am Greene County

Hometown: Small town outside of St. Louis, Union, Missouri. However, my wife and I now call Ash Grove our home.

Family: Wonderful wife Barbra and six grandchildren.

Education: Graduate of Missouri State University way back then.

Military service: Was unable to join the military, but very proud to support family members and friends that have served and still serving.

Favorite sports team: St. Louis Cardinals, is there any other?

If you were granted three wishes, what would they be:

This is a wide open question-
1. The waistline I had in high school. 2. The hair I had back in high school. 3. Can I have three more wishes?

What is your proudest accomplishment:

I realize this is going to sound very cliché, however, most of my proudest moments are seeing our children accomplish their dreams. I feel through their accomplishments, Barbie and I have accomplished great things together.

What do you enjoy most about being mayor of Ash Grove:

I have enjoyed being mayor because of the team that has been formed over the past 22 months. Consisting of new City Clerk Melissa, assist Clerk Jennifer with Jacob as city resource specialist, City Maintenance Larry, Tony and Billy plus the ever growing police force under Chief Darin. Last but not least my four aldermen Jerry, Bill, Pat and Troy. It gives me great pleasure to work with these people to make my home a better place for everyone.

Favorite outdoor activity:

Spending time at the lake is better than any day at the golf course...unless I have unlimited mulligans.
