

I Am Greene County

Hometown: Willard

Family: Two adult daughters, Fill and Faol.

Military service: 21 years in the Army.

Education: I have a BS in management studies from MU.

Hobbies and interests: Hunting, fishing, most outdoors activities.

What is unique about Stribling Arms:

"We don't have a storefront to create overhead which keeps my prices lower than Academy or Bass Pro."

Why do you believe it is important to maintain the Second Amendment: It's a right and rights should never need to be justified. The 2A is a right that gives every able citizen a means to provide and protect themselves.

Favorite thing to eat for breakfast: Eggs, bacon and potatoes.

If you could go back and relive a part of your life, it would be: High school sports would be fun. I didn't have any bad experiences then.

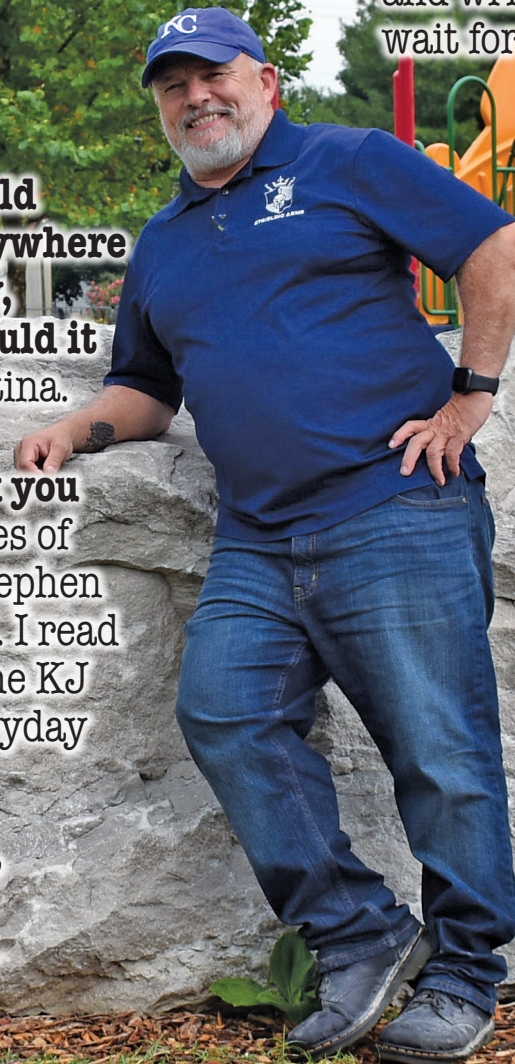

Something I wish people would understand is: It's ok to be different, and to get upset by people who don't think like you is the most harmful thing you can do to yourself.

Someone you hope to meet someday is: Former president Obama.

If you could travel anywhere tomorrow, where would it be: Argentina.

Last book you read: Gates of Fire by Stephen Pressfield. I read parts of the KJ Bible everyday

If you won the lottery tomorrow, what would you do: Go to Mexico and bass fish with my brother until we both catch 10 lbs. of fish on the same day, then off to Argentina. Drink wine and write poems and wait for Jesus.
