

# *I Am* Greene County

**Hometown:** Ash Grove.

**Pets:** I have one dog named Kitty and a cat named Gracie.

**What do you enjoy most about owning Maple Lane:** We love seeing the community on a daily basis.

**What do people tell you about Maple Lane:** They love how it feels so welcoming and feels like home.

**What is some advice you would give your 18-year-old self:** Be confident in knowing that nothing that happens to you is a surprise to God.

**What are some of the most popular things you sell at Maple Lane:** Frappes, our baked goods and Paninis.

**What advice do you have for people looking to go into business for themselves:** Do what you love because an early morning start time and late night hours come easier if you love what you are doing. Also plan, plan, plan.

**What was a part of your life you'd like to relive:** I would like to relive the time in my life when our kids were little, knowing what I know now, I would definitely cherish those moments more.

**Where do you see Maple Lane five years from now:** Growing at this location and a food truck to take on the road!

**What is your favorite food to eat for breakfast:** Ugh, so many options. French toast with bacon and chilaquiles.
